

# LANYARD TAG

GREY

No need to purchase both tags and lanyards separately.

 **Security:** HIGH

 **Detection Range:** STANDARD

Combines the lanyard and tag in one. The perfect tag for accessories.

**One-Piece Design**

### Smart Design

One end of the lanyard is fixed to the tag, and the other end is equipped with a pin that is inserted into a hole and locked to the tag.

### Lock

Multi-purpose hard security tag for application to a wide assortment of high risk merchandise with a high strength magnetic lock for superior protection.
