

# XT LOCK DETACHER ABOVE COUNTER

Advanced counter top security tag detacher opens a large variety of magnetic release security tags as well as our high security XT30 and X18 tags.

## Universal Detacher

A Universal Superlock security tag detacher removes the pin from a large range of magnetic security hard tags. This powerful magnetic detacher is designed to release just about any magnetic security tag on the market today.

## Lock Top

## Flush Counter Mount

## Key Lockable Cover

This detacher includes a key lockable cover to ensure the detacher is not accessible when unattended.

## Registered Business Only

We sell this detacher only to registered retailed businesses.
