

# XT LOCK DETACHER

SECURITYTAGS.COM  
IN EO

A universal superlock security tag detacher removes the pin from a large range of magnetic security hard tags. This powerful magnetic detacher is designed to release just about any magnetic security tag on the market today including our high security XT30 and X18 tags.

Advanced counter top security tag detacher. Opens a large variety of magnetic release security tags as well as our high security XT30 and X18 tags.

## Benefits

This detacher is for counter top mounting.

Includes detacher lock cover to ensure the detacher is not accessible when unattended.

We will only sell this detacher to registered retail businesses. Before we ship out any detachers, we will contact you to verify your information.
